THE BEN BUCKLER \$95

Larry Emdur's special whisky for sharing with his family & friends.

The Ben Buckler combines ex tawny port & bourbon barrels to create a single malt whisky that has approachable sweetness & deliciously savoury character.

LARRY'S TRUFFED UP VODKA \$120

Complex, earthy, yet zesty in it's essence, Truffed Up is a collaboration between two local friends - Banks & Solander and Larry's Pizzeria and Cocktail bar.

Beginning with our double distilled and filtered smooth vodka, Truffed Up is infused with Australian black truffles providing a deep musky, umami-rich flavour layered with notes of vanilla, violets, and the redolence of forest floor.

At Larry's, everything that leaves the kitchen is 100% Nonna-approved and Truffed Up is no different!
